21	How To Reach Us

Please note that stock availability and lead times may vary across our procedure pack range. We recommend contacting our Customer Service team for the most accurate and up-to-date information.

Disclaimer: Product specifications in this catalogue are correct at time of publication but may change from time-to-time without notice. It is the customer's responsibility to validate that a particular product with the properties described in the product specification meets the requirements of their application.

WHO WE ARE

Judd Medical Limited is recognised as being amongst one of the most progressive medical companies in the UK and during the last 25 years have seen numerous developments that have enabled us to grow into a leading medical device supplier in the industry.

With the expansion of our product portfolio to include many innovative products and services, it has allowed Judd Medical to make a significant impact on the healthcare market to NHS hospitals, private groups and independent clinics throughout the UK.

HOW CAN WE HELP

CUSTOMER SERVICE LEVELS

We ensure that should you need any help and advice or encounter any problems we have a fully trained team ready to support you. Our specifically trained Customer Service Team offer friendly, knowledgeable advice and support for every requirement.

GUARANTEE OF SATISFACTION

All products undergo rigorous quality control assessment and are fully guaranteed. Any products proving unsatisfactory in normal use will be replaced or repaired free of charge following inspection.

QUOTATION SERVICE

We offer a no obligation quotation service whereby we will specify, code and price your requirements using our extensive product library which enables us to cross-reference most products.

VALUE FOR MONEY

We believe our surgical instruments and products to be competitively priced representing excellent value for money. We are happy to offer discounts for contracts, standing and call off orders dependent on your requirements.

JUDD MEDICAL

“YOUR PARTNER IN PRECISION HEALTHCARE”

WHAT WE DO.....

Our company is proud to offer a comprehensive product portfolio of
Single Use & Reusable Surgical Instruments and Medical Devices.

- ✓ Arthrodesis & Kirschner Wires, Twist Drills, Steinmann Pins & Denham Pins
- ✓ Electrosurgery: Diathermy Products – Single Use & Reusable
- ✓ Light Sources: Xenon & LED, Surgical Headlights, Fibre Light Cables & Adaptors
- ✓ Pulse Lavage Systems
- ✓ Replacement Surgical Saw Blades & Burs
- ✓ Single-Use & Reusable Surgical Instrumentation

At Judd Medical we are committed to our partnership with the NHS Supply Chain, NHS Scotland and NHS Wales, ensuring optimal value for our NHS Customers.

We are an approved supplier to the NHS Supply Chain.

TRAINING & EDUCATION

We are dedicated to providing comprehensive training and education on regulatory compliance, organising international seminars and hosting healthcare roundtable events. We facilitate peer-to-peer clinical discussions and offer training on the care and handling of surgical instrumentation and diathermy safety.

Through these initiatives, we aim to enhance professional knowledge, ensure adherence to industry standards and promote the highest levels of safety and efficacy in healthcare practices.

THE IMPORTANCE AND BENEFITS OF USING PROCEDURE PACKS

Procedure Packs are an essential component of modern healthcare delivery, offering a **practical and efficient way to support consistent, high-quality patient care**. By combining all the necessary **sterile instruments and consumables** for a specific procedure into a single, **ready-to-use pack**, they help **streamline clinical processes** and maintain the **highest standards of safety and efficiency**.

IMPROVED EFFICIENCY:

Reduces setup and preparation time, allowing healthcare professionals to focus more on patient care.

ENHANCED INFECTION CONTROL:

Pre-packed sterile components minimise handling and the risk of contamination.

CONSISTENCY AND STANDARDISATION:

Ensures every procedure follows the same high standard, reducing variation between practitioners.

COST AND WASTE REDUCTION:

Simplifies stock management, minimises unused items and helps control overall consumable costs.

CONVENIENCE AND RELIABILITY:

Provides a complete, ready-to-use solution for a wide range of clinical procedures.

PROCEDURE PACKS

SUTURE PROCEDURE PACKS

Our range of **Suture Procedure Packs** is designed to provide healthcare professionals with everything they need for **efficient and sterile wound closure**. Each pack is thoughtfully curated with **high-quality, essential instruments**, ensuring convenience, safety and reliability in clinical settings.

QUALITY & ACCREDITATIONS

Judd Medical is certified to **ISO 13485: 2016 and ISO 14001: 2015** across our two locations with all relevant policies and procedures being robustly implemented.

These certifications collectively highlight our commitment to excellence and our leadership in both quality assurance and environmental sustainability.

ISO 13485: 2016

Demonstrating our commitment to the safety & quality of our medical devices.

ISO 14001: 2015

Demonstrating our commitment to identifying, managing, monitoring and controlling our environmental processes.

LSAS: Level 2

In addition, we have achieved **Labour Standards Assurance System (LSAS) Level 2**.
